*Vice-President*—Ron Ehmann

*Secretary-Treasurer*—Pete Chomyn

This year the Varsity Club has reduced its membership due to a new constitution. Because of this, its activities have increased, and under the direction of Mr. Schnitzer, it has become a well-planned organization. The boys work hard to live up to the high standards set by Scotch Plains High School and to set a good example of sportsmanship to both the other schools and the student body. The activities included a Varsity Club Dance and selling programs at the basketball and football games.
