TRACK

Coached by Ray Schnitzer and Frank Volpe, great things were expected of this year's track squad. Building a nucleus around State Champs Bob Diederich (high and low hurdles) and Bob Yeakle (high jump), the Scotch Plains track team was regarded highly. The Raiders have lost only three dual meets in the last two years and those by only a few points. Big things came from the '58 track squad, and even bigger things are yet to come.
