

Nurses

Little known members of our administration are the "ladies in white" (they wear blue). If your teeth need checking, if your eyes need examining, if you have a headache, the place for you is the nurses' office. Here you will receive expert medical care. We have a staff of three highly trained, efficient women. They carry out their job to a high degree of excellency.

Mrs. M. Keef, Mrs. H. Lott, Mrs. H. Tyndall.

LEFT TO RIGHT: Miss J. Powell, Mrs. P. Ream, Mrs. G. Loustbourne. SEATED: Mrs. M. McCloskey.
