FOOTBALL

Coaches Formichella, Nelson, Moravetz, Zanowicz.

This season's football squad didn't quite live up to the expectations of our fine grid mentor Charles Nelson, as it finished with a 1-7 record. The lone win came on the opening game of a new Thanksgiving Day series with Clark. It was a hard fought 13-0 win before some 2,500 loyal fans. It also marked our first win in ten games and our first shutout in four years.

The Raiders played a rough schedule in '58 losing to a good Metuchen club and spirited Cranford team in the final minutes; and to Hillside on a come-from-behind touchdown.

The Raiders defense was something to be reckoned with all season long—giving up only two touchdowns a contest average wise. After holding Highland Park to a 14-0 score, Park went on to a undefeated season and averaged 30 points a contest.

This was also the year Bill Austin, former S.P.H.S. grid star, was unanimously chosen to the All-American squad, bringing fame and honor to himself and the communities of Scotch Plains and Fanwood.
