At every football and basketball game, one is sure to see the cheerleaders cheering our teams on to victory. These eighteen girls, chosen each year on the basis of pep, personality, appearance, coordination, and jump, have many jobs to do every year. Aside from cheering, collecting for the Booster Club, planning pep rallies, and giving two dances annually, these girls have the important task of representing our school wherever they go.

Every cheerleader looks forward to receiving a gold megaphone and a cheerleaders' jacket when she becomes a senior. And to top off a wonderful year, there are those delicious smorgasbord dinners at the Stockholm.
