 Vice-President Arthur Michaelis
 Secretary-Treasurer Barry Russo

Boys interested in sports, and who meet the requirements, are eligible for Varsity Club. To join they must have three varsity letters, a C average, approval of all major subject teachers and a majority vote of the members. Once in, members have many activities to occupy their time. The club has given the Sportsmanship and Billy Austin trophies to be presented to deserving schools. This group also sells programs at home basketball and wrestling matches, sponsors a dance and buys the traditional Varsity Club jackets for all members.
