

OFFICE STAFF

"Attention, please. Sorry for the interruption." This is the refrain which rings through the hall familiarly symbolizing our Office Staff. All the red tape and the tedious jobs necessary to run a modern high school are accomplished by this staff. In their three years of assistance, they have proven themselves efficient, pleasant and always ready to help.

CUSTODIANS

When a locker stays locked, a window breaks, the floor needs a sweeping or other services need performing, just dial "C.S." for Custodial Staff. Through the efforts of our custodial staff, Scotch Plains-Fanwood High has retained its fine, brand-new appearance equal to that of its opening day three years ago—preserving it for the many future students who will pass through its halls.
