MUSIC

Mr. Joseph Checchio

The music department is one of the most active in our school. Each year it puts on several assembly programs, a musical play, and the Nights of Music. The band can be seen marching on the football field every fall Saturday afternoon. Contained in this department is Senior Chorus, Men's Chorus, Las Cantadoras, Band, Orchestra, Choral Workshop, instrumental music and vocal music. A course of music appreciation is also offered where the student can learn to know good music.

"The Music Department participates in many assemblies."
