Noll, J. Henning. FOURTH ROW: S. Winterhalter, A. Lasher, J. Torkelsen, S. Hauser, N. Brown, M. Hoestl.

ELEMENTARY BIOLOGY CLUB

ELEMENTARY BIOLOGY CLUB OFFICERS

President John Torkleson
 Secretary Marcia Agree
 Adviser Miss Parrish

For those sophomores who find fibrovascular bundles intriguing and amoeba fascinating, Elementary Biology Club affords a weekly opportunity to satisfy this interest in biology. Under the supervision of Miss Parrish, this club goes more deeply into the course than is possible in the classroom and learns to use apparatus which aids them in experiments and projects.
