

# ELEMENTARY CHEMISTRY CLUB

FIRST ROW, left to right: S. Calahan, J. LaRosa, T. D'Angelo, R. Winsor, K. Southard. SECOND ROW: J. Farmer, P. Kopf, L. Wimmer, J. Matey. THIRD ROW: J. Reed, B. Landers, W. Greenhouse, J. Zetto, J. Pollock, D. Soderberg.

"What's that green precipitate at the bottom of my test tube?" Perhaps this is a question from someone who just discovered a new wonder drug, but it's more likely to come from an Elementary Chemistry Club member. With Mrs. Schlesinger as their supervisor, this club endeavors to take in more chemistry than a first-year student learns in the classroom. The knowledge gained here could prove very useful in its members' future careers.

## ELEMENTARY CHEMISTRY CLUB OFFICERS

President ..... John Reed  
 Secretary-Treasurer ..... Scott Calahan  
 Adviser ..... Mrs. Schlesinger
