## GIRLS' ATHLETIC COUNCIL

The Varsity Club of girls' sports, the G.A.C. organizes all after school sports for girls. The many sports offered include soccer, archery, field hockey, bowling, swimming, modern dance, basketball, volley ball, softball, lacrosse, and courses in officiating. The members of the club organize "play days" with other schools and hold a refreshment period after the games for both teams. By means of the Sock Hop, held annually, the G.A.C. is able to finance these activities.
