## GIRL'S LEADERS CLUB OFFICERS

President	Jane			t Smolen

Advisers	Miss	Birkins.	Mrs.	Resnick,	
Autosers		,	Mr	s. Seidler	

"Who's that girl sitting at the desk while we're doing exercises?" She's a Leader, who answers the phone, records points (plus and minus) and generally helps the gym classes run more smoothly. A reorganization of the club decreased the membership to increase efficiency and effectiveness with responsible members who can be depended upon by the instructors. We can see why Miss Birkins thinks of this club as an Honor Society of the gym.
