A quick look at the won-lost record of this team does not give a true picture of performance. Our Soccer team, led by co-captains Checchio and Loy, managed to capture the Watchung Conference title during 1960. Inspired by Amerigo Checchio, named to the All-State Soccer Team, and Coaches Formichella and Sheridan, the players worked hard to produce a season better than previous years. If the team maintains its present rate of progress, it seems likely that Soccer will become a better known sport at S.P.F.H.S.
