The relatively new Cross Country team rose in the ranks during 1960. Their record, eight wins and four losses, tops all previous years. Under Coach Orrico's guidance eight letter winners emerged.

The team ran its two and one half mile course

at Warinanco Park, Elizabeth. This year three team members will graduate, but the Cross Country team of 1961 should continue as victors with a top notch crew of enthusiastic and record breaking underclassmen.
