BASKETBALL

Coach Dettmar's Raiders started the 1960-61 season where they left off in the State Tournament last year by winning the first five out of six games. The team had hopes of duplicating the Group III, Section II state title of last season, for the Raiders, led by Bruch Springer, John Torbyn, and Bill Lott, usually controlled the backboards. However, Scotch Plains was knocked

into third place in the Watchung Conference, although a conference scoring record, 95-93, was set at Roselle Park when Joe Mandy's missile shot won the game with two seconds remaining. The Raiders met two schools, Plainfield and Rahway, for the first time this year. Our blue and white team closed the season with an impressive 14-8 record.
