

VARSITY CLUB

FIRST ROW, left to right: B. Newell, B. Oldford, B. Regg, D. Di-Fiore. SECOND ROW: J. Mandy, J. Torbyn, T. Moser.

Securing membership in the Varsity Club is almost as arduous as participating in the sports that make a boy eligible for the club. The requirements include having three varsity letters, maintaining a "C" average, having their teachers' approval and receiving a majority vote from the boys already in the club. Once in, a boy finds that the activities include a dance, regulating all boys' sports, and representing the school at sports events. Under the guidance of Mr. Schnitzer, this is one of the most popular boys' clubs in the school.

RAIDERS No. 1

BOOSTER

Those of us who attend S.P.F.H.S. sports spectacles regularly cannot fail to have noticed a white-haired man in a blue Raiders jacket who cheers on the team with undying enthusiasm. This is Mr. Johnson and, through his loyalty to our various teams, he seems almost as responsible as these teams for the victories they enjoy. The cheerleaders will not soon forget the way Mr. Johnson brightened many a game for them by kind words and thoughtful presents. The entire school—faculty, teams, cheerleaders and spectators—certainly owe a debt of gratitude to Mr. Johnson for what he has added to our sports programs through the years.

MR. JOHNSON
