## LIBRARY

MISS LORRAINE AYERS

Within the walls of our spacious library, the students of S.P.F.H.S., with the aid of the card catalogue, the Readers' Guide, the reference shelf, and various guide books, can find information on any number of topics. Our librarians, assisted by the Library Council, are glad to help any student with a problem. Our library also offers innumerable books for relaxation and enjoyment. Without our efficient library, S.P.F.H.S. would certainly suffer the loss of a fine reading opportunity.
