MUSIC

JOSEPH CHECCHIO

One of the most important functions of our school is played by the Music Department. What would the football season be without the Band's music adding to the school spirit? During the year we are often entertained by the Orchestra and our dance band, the Moonglowers. Each year the talents of all three groups are rolled up into one memorable "Night of Music."

During the winter, the Senior Chorus is busy rehearsing for its annual choral festival, and throughout the year we hear Men's Chorus and Las Cantadoras.

For those students interested in developing new musical skills, courses are offered in voice training, music appreciation, and instrumental music.
