CAFETERIA STAFF

The wonderful work of Mrs. Ulrich and her staff is evident when we taste the delicious, well-balanced meals they prepare for us. Certainly the clever and appropriate decorations which the staff obtains for holidays add to the conviviality of the lunch. The cheerfulness and readiness with which the staff helps us make standing in line a much more pleasant experience and the cafeteria a much friendlier place.

CUSTODIANS

ANDREW MILLER

Whatever the problem may be, whether it is a broken ceiling tile or a closed gate, the custodians are always cheerfully ready to help repair or open it. The credit for the excellent condition of our school is due to the service of these hard working men and women who will be keeping the building clean and attractive for many students of S.P.F.H.S. in future years.
