

SCHOOL SPIRIT

This year, as the Class of '62 came into its own, a new era of school spirit began. All of us remember the blue and white days we have had in past years; this year, we have tried to establish several new traditions. Tony Grimaldi and Liz Mohler, our Indian mascots, have helped countless fans cheer our teams on to victory. The car caravan brought out many more people to our football games and the Senior card section gave literal backing to the football team. The efforts of this year's School Spirit Committee have given S.P.F.H.S. students a new sense of loyalty toward our teams and toward our school.
