

# ASSEMBLY COMMITTEE

Mr. Sochan

Have you ever wondered who is responsible for our interesting and enjoyable assemblies? The Assembly Committee, headed by Mr. Sochan, plans these programs. This hard-working group gives much of its time to selecting subjects which will be of interest to the student body.

Every year, four Junior girls are chosen to attend the Girls' Citizenship Institute sponsored by the New Jersey State Federation of Women's Clubs. Living on the Douglass College campus for a week in June, the girls receive a first-hand example of college life as well as learning about state government. A trip to the State House in Trenton climaxes the week. It is indeed an honor to be chosen as a delegate to this Institute.
