NATIONAL HONOR SOCIETY

The Frank W. Westcott Chapter of the National Honor Society was organized in 1933.

The purpose of this chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service, to promote worthy leadership, and to encourage the development of character in pupils of Scotch Plains-Fanwood High School. Members are chosen on the basis of scholarship, service, leadership, and character, and no more than fifteen per cent of any one class may be elected. Meetings are held once a month to discuss and work on projects such as the honor roll and the publication of a school handbook. The society presents a gold cup to an outstanding senior at graduation and it provides a subscription to *Student Life* for the use of the school.

To be invited to membership in this national organization is the greatest honor a high school student can receive.
