

Left to right: B. Dickey, P. Kopf, B. Bell, B. Delaney.

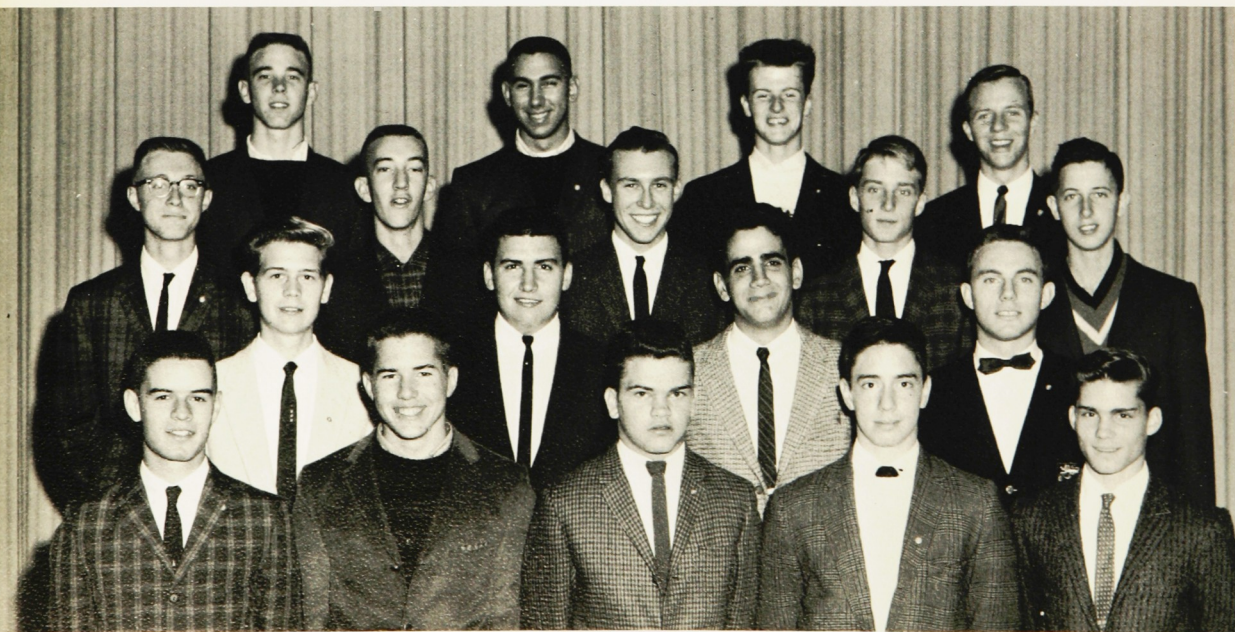

There won't be any more mistakes in finding your assigned parking place in the S.P.F.H.S. parking lot, thanks to the Key Club, whose members numbered and outlined each separate spot last fall. Such services as guiding visitors through the school during open house, raising the flag, and numerous others to both school and community are the object of the Key Club. It is comprised of the key boys of each of the three classes and is directed in its activities by Mr. Stuart and the Kiwanis Club. These boys earn much respect and admiration as members of the Key Club.

KEY CLUB

Mr. Stuart
