| Publicity Co-chairman | James Ball |

BAND

S.P.F.H.S. has a great deal to be proud of in its 100-piece Band. It is this organization which adds spirit and color to each football game, gives continuity to our assemblies, represents our school in various community affairs, and puts on an annual music program which has come to be recognized as one of the school's finest traditions. The many talents brought together in this one group are known and respected by all.

MR. CHECCHIO
Director
