

## VARSITY GLEE CLUB

*Mr. Brown*

Hearty male voices . . . a piano . . . stimulating harmonies . . . combine these and you have a good picture of this year's Varsity Glee Club. The boys, under the direction of Mr. Brown, appeared in Choral programs presented by the Senior Chorus, and starred in a few ventures of their own. These boys sing as if they really enjoy it, making it full of vitality and enthusiasm.

## LAS CANTADORAS
