## FASHION CLUB

Mrs. Perry

Left to right: A. Hermes, R. Johanson, m. Lohrman, J. Mackay.

Fashion Club members learn more about clothing and related subjects through talks given by guest speakers from area department stores. Here interested students may learn more about the world of fashion and home economy. The club sponsors an annual fashion show in which the girls model what they have made in clothing. Another function of the club is the distribution of food, clothing, and toys to needy families in the area.
