

CHESS CLUB

Mr. Froncek

A game played by royalty in "days of old" has retained its popularity and is being enjoyed by many people today. Presided over by Gary Rosenkrans, the matches of the Chess Club enable participants to develop skills and take part in Chess games with other schools.

The club provides an opportunity for students to discover the fun and challenge of this ancient pastime.

OFFICERS

| | |

STAGE CREW

Mr. Malesky

Although not much publicity is given to the functions of the Stage Crew, the services they give to the school are practically endless. They handle not only all the backstage lighting and equipment, but the Public Address system as well. They lend the truly professional touch to all of our high school productions and are available when outside groups use the auditorium.

Left to right: P. Schultz, S. Calahan, J. Grove, P. Patterson.
