GIRLS' ATHLETIC COUNCIL

Miss Birkins

The Girls' Athletic Council is an organization with selective membership whose purpose it is to arrange and manage after-school sports for girls and schedule play-days with nearby schools. Practices are set up for hockey, soccer, archery, swimming, bowling, volleyball, basketball, apparatus, softball, lacrosse, and track and field, as well as modern dance. Through these activities girls can learn skills, play in actual competition, and have an enjoyable time. At the end of the year awards are given for active participation. The G.A.C. is also well-known for its annual "Sock Hop" and the sale of S.P.F. charms.
