

This year our Cross Country team topped all previous records with fourteen wins and one loss. Led by Coach Orrico and Captain Mike Bradley, they captured second place against twenty-eight schools in the Central Jersey meet. Through the efforts of these athletes, Cross Country is fast becoming a well-known and appreciated fall sport at S.P.F.H.S. Even though the team will lose five seniors this year, the strength of the underclassmen should produce another great season next fall.

CROSS COUNTRY
