

Mr. Zanowicz in action.

MR. LEONARD ZANOWICZ

DEDICATION

Throughout our high school years there have been many teachers who have aided us in our growth as well as in our education. One of the most admirable of these educators is Mr. Len Zanowicz. Mr. Zanowicz is well-known to all by his superior coaching of the football team this year as head coach, and the past few years as assistant line coach. Coach Zanowicz is an inspiration, not only to the football team, but also to the students who have profited from his math classes.

We, the class of 1963, dedicate this CULMEN to a deserving teacher and friend—Mr. Len Zanowicz.

A family man.
