MUSIC

Mr. Joseph Checchio

We of S.P.F.H.S. owe much to our music department. From it comes unfailing service in many different ways. Our band, brilliant in music and maneuvers, entertains us and urges our team on to victory at football games. Our choral groups bring us our annual Christmas assembly. Both the band and the orchestra take turns welcoming us to assemblies. In addition, our musicians bring us evening programs that shower credit and praise upon the entire school.
