## CHESS CLUB

*Mr. Froncek*

The knights of the days of old have been revived on the Chess board by the Chess Club. The members of this club, under the able direction of Mr. Froncek, compete with each other for the championship and then proceed to play champions from other schools. Our school can be proud of the time put in by these members who participate in competition for the glory of Scotch Plains-Fanwood High School.

LEFT TO RIGHT: R. Berman, P. Miller, P. Schultz, C. Lundquist.

## STAGE CREW

Nobody seems to know much about the work of the stage crew, but we would certainly know if we were without them. They are responsible for the handling of all the backstage lights and equipment which make our plays and assemblies successful. Headed by Mr. Malesky, they also handle the Public Address system. They deserve credit for giving the school functions a professional touch.
