

Varsity Club was established as a Service organization of the Boys' Physical Education department. It has been a valuable asset to the department, taking responsibility for setting up and taking down equipment for football and basketball games, track meets, and aiding in sportsmanship in school and the community. In order for a boy to be eligible for Varsity Club he must have three varsity letters (or be working on his third) and his grade average must at least be a "C". Besides all the other services, the Varsity Club also awards the "Most Valuable Player" trophy and aids in the Watchung Conference Sportsmanship Award trophy.
