Watch out for Scotch Plains-Fanwood! Those were the words circulating among rival Watchung Conference coaches before the '62 season began. There was a good reason for this statement because the Blue Raiders finished their first unbeaten season since 1945 with an 8-0-1 record and moved into a tie for the Watchung Conference title with defending champion Westfield.

Under the guidance of our newly recognized coach, Len Zano-wicz, the Raiders didn't allow an opponent to score more than one touchdown a game. As a tribute to the defense, five of the contests turned out to be shut-outs. The power and speed of our many senior gridmen led the team to victory. We congratulate them and hope the '63 season will be as profitable and successful.

*Another kickoff in a winning game.*
