Only in its sixth year of varsity competition, this year's wrestling squad was indeed a credit to S.P.F.H.S. Under the expert coaching of Mr. Sorrentino, the 1963 wrestling squad has risen, not only in skill, but also in the frightened eyes of the opposing team. This school deserves to be proud of the fine young men who make extreme sacrifices (such as losing 20 pounds in a week) for the honor of pinning that man. The squad has hit the heights this year by winning the Watchung Conference, and we know they'll stay on top.

"Anyone for pretzel bending?"

Two points for Scotch Plains!
