GUIDANCE DEPARTMENT

Mr. Lawrence Mason

Vital to every student's life here at S.P.F.H.S. are the services of the Guidance Department. Some of the well known functions of this department are keeping tabs on student's grades, scheduling, and the twice-a-year personal conferences that make school easier for both the student and the counselor.

Some lesser known functions of the Guidance Department are visiting colleges to be better informed to help aid students in their choice of schools, holding "Pre-college Guidance Sessions" for juniors interested in four-year and two-year colleges, and publishing the weekly Guidance Bulletin with information for seniors on colleges and scholarships.

LOUIS G. PRISNOCK, JR.

Guidance

"But sir, I don't want to go to Blackburn!"

"All right! I'll just wait right here 'til that Kalamazoo catalogue comes in again!"
