SERVICE CLUB

Mr. Gleim

"Please go around" or "walk" are familiar words from the active students in the Service Club. Their job is to maintain order in the halls during the passing of classes. This is not always so easy, but without their faithful persistence in maintaining order, none of us would reach class on time. The students in this club are selected by the faculty and chosen for their scholastic ability, dependability, and leadership qualities. This year at the annual back-to-school night sponsored by the P.T.A., this club offered its members as the monitors for the night. Our school would be incomplete without the Service Club.
