SPANISH NATIONAL HONOR SOCIETY

Miss de Pauw

LEFT TO RIGHT: G. Cunningham, Vice-President; N. Katelvero, Secretary; K. Rabassa, President; D. Jannuzzi, Treasurer.

The Spanish National Honor Society, organized on a nationwide basis, recognizes superior achievement among students studying Spanish. Members must have received an "A" average at the end of their first year, and have the recommendation of their first and second year teachers.

A meeting may feature someone from a Spanish-speaking country relating information about that country—in Spanish, and slowly, of course!
