GIRLS' ATHLETIC COUNCIL

Miss Birkins

"Describe it to me once more."

As members of the Girls' Athletic Council, the girls in the club plan all the outside activities of the girls' physical education department and make them available all year for interested girls. The selling of S.P.F.H.S. charms and the after school soda stand are popular with the students and, at the same time, raise money for the annual GAC scholarship. Each winter the club sponsors its popular Sock Hop which is attended enthusiastically by all classes.
