FOOTBALL

Mr. Zanowicz

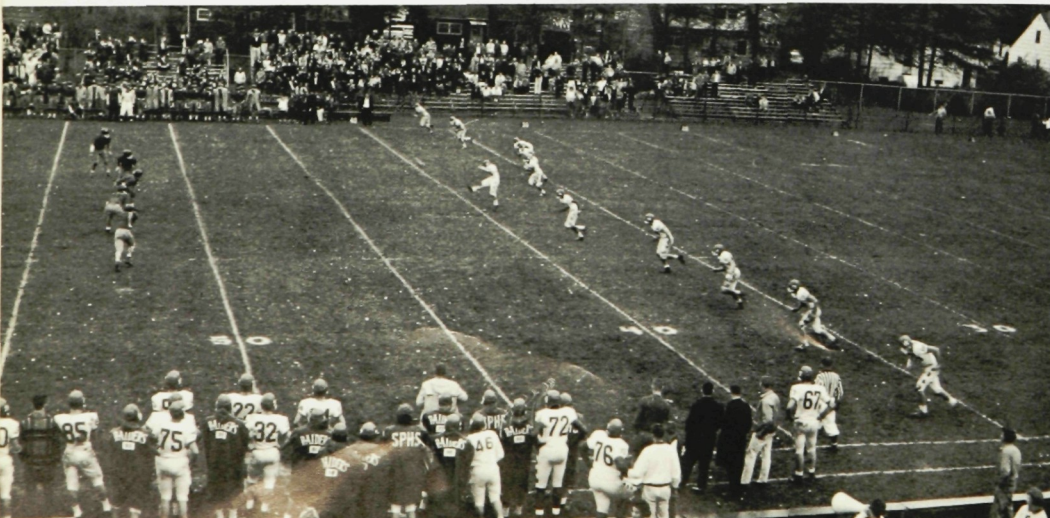

A glance at this year's football record reveals the undaunted spirit of the Scotch Plains-Fanwood Raiders. Despite the loss of seventeen of last year's varsity players and many disappointments, we had an exciting and winning season.

We were mainly a defensive team as shown in several games. When our opponents had a "first down and goal to go" our team, never willing to give up, stopped them short of that all-important, game-winning goal.

Among memorable highlights was the win over our new opponents, Bridgewater-Raritan, and our sixth successive victory over what many people considered to be the best team in the history of Clark's high school.

MR. ZANOWICZ

A good start!
