## CROSS COUNTRY

Mr. Orrico

Again this year, our Cross Country Team has come up with an almost perfect record. Under the able direction of Coach Orrico, Cross Country is fast becoming a well-known sport at our school. S.P.F.H.S. will be sorry to lose several of its star runners this year, but the remaining underclassmen show great promise in giving us another great season next fall.

## SOCCER

Mr. Formichella

Soccer is probably one of the least glorified of all high school sports. In addition to the mastery of several skillful maneuvers, a soccer player must have great stamina and be able to endure all the pushing, shoving, running, passing, dribbling, tackling, heading, and "misdirected" kicking, and still come back for more.

The 1963 soccer team was one of the best ever, but was plagued with bad luck and timing. The boys showed, however, that the most important thing is never to give up, and did beat one of the toughest teams in the area. We can be proud of Coach Formichella and his team.

Getting "a head" in the game!
