

MR. DETTMAR

BASKETBALL

Mr. Dettmar

The 1963-64 basketball team was one which showed great promise although it was a young and inexperienced one. The team, led by Captain Ed Springer, was comprised of fifteen members, only four of whom were seniors. It was a team that showed improvement as the season progressed. We are proud of the season played by these young men and the example set by them for the whole school.

1963-64 Team
