*Scotch Plains in the lead as usual.*

## OUTDOOR TRACK

*Mr. Schnitzer*

With this being Mr. Schnitzer's last season as head track coach, the team did him proud turning in many outstanding individual and team performances. With the top discus thrower in the country, Art Swarts, and some of the best hurdlers, plus some very good sprinters and long distance runners, as well as very good weight men, the team was able to win almost every major meet they entered. They also kept their slate clean as far as dual meet competition for the third straight year.
