## MUSIC DEPARTMENT

Mr. Checchio

Our music department is composed of both vocal and instrumental sections. The vocal department provides several enjoyable concerts as well as daily classes in voice.

Mr. Checchio's many activities including band, orchestra, and Moonglowers take up many hours in the Instrumental Music Room. We appreciate the band especially at football games, the orchestra at assemblies and graduation, and the Moonglowers at their annual concert.

*"Could someone please tell me what period this is?"*

*"Double your pleasure"*

*"I wonder how I can gyp this class tomorrow."*
