

## CAFETERIA STAFF

Mrs. Ulrick

Mrs. Ulrick, cafeteria supervisor, and her staff of assistants prepare a wide variety of delicious and nutritious foods daily for the faculty and student body. Their efforts and efficiency are much appreciated because it makes lunch time something to look forward to each day.

## CUSTODIANS

We owe a lot to our custodians who are continuously working to keep S.P.F.H.S. in tip top condition. They are always there when needed and do a fine and efficient job. Thanks to them we can be proud of the appearance of S.P.F.H.S.
