

CROSS COUNTRY

Mr. Orrico

Not many people would relish the idea of running two and a half miles in some of the coldest and most adverse weather, but our Cross-Country team has shown what twenty-three young athletes will do—and do well.

Once again, for the fourth straight year, the S.P.F.H.S. Cross-Country team has come up with a winning record. Coach Orrico has done much with this year's team, and its fine record of ten wins and six losses is even better than it appears.

Although S.P.F.H.S. is losing six of its eight lettermen through graduation, we can be sure that Mr. Orrico will build another great winning team.

Mr. Formichella

Soccer has become a major fall sport at S.P.F.H.S. This year's record of 4-8-4 was not the best in the school's history, but, as Mr. Formichella points out, the caliber of play displayed by the boys this year was far above that of most other teams. One look at the scores will back that statement. The games we lost were by only one goal, for the most part.

We congratulate Bob Dixon on being chosen as one of the best goalies in Union County. This is not only a credit to him, but also to the coaches and team.

Some high points of the season were wins over Westfield and Edison Township. We wish Mr. Formichella and Mr. Greene continued success in the building of teams and individuals.
