

1964 TRACK TEAM

## OUTDOOR TRACK

Mr. Poquette

Mr. Poquette was the brand new 1964 Outdoor Track coach, and the team proved its ability under his leadership in being undefeated in dual meet competition for the fourth straight year.

This team, composed of forty-five members, fourteen of whom were seniors, was led by co-captains Bob Beam and Steve Harris. In the twelve championship meets in which S.P.F.H.S. participated, we copped first place seven times, second four times, and third, once. To top this fine record, S.P.F.H.S. successfully defended its state Group IV crown.

We will miss our graduating seniors, but through more hard work we can be sure S.P.F.H.S. will remain a power in outdoor track.
