

GOLF

MR. Formichella

The Scotch Plains-Fanwood High golf team is in its seventh year of existence, but only its second as a varsity sport. Until 1964 it had been recognized as a club only. Last year marked the beginning as a full fledged sport. For the first time in the school's history, the boys received varsity letters which they well deserved for their long hours of practice and devotion to the game.

Coach Formichella will have seniors John Slack and Norm Hanover back from last year's squad. They, and the other members of the team, will compete in dual contests this season.

TENNIS

Mr. Esposito

Tennis is a fast growing sport at S.P.F.H.S. Already in its second year of varsity competition, this sport is very popular. Under the coaching of Mr. Esposito, the boys practice every day. Last year we met, among others, Pingry and Westfield, two of the best teams in this area. We wish Mr. Esposito and the players the best of luck in their upcoming seasons.
