

## TWIRLERS

Miss Tarby

Our S.P.F.H.S. twirling squad, under the leadership of Majorette Jacquie Ewing and Captain Jane Bradley, has played an active part in creating school spirit this year. Our football games would not seem to be complete were they not led by the twirlers strutting down the field before the band. Their intricate routines, performed with skill and ability, have provided us with a source of entertainment not only at the football half-time programs, but also at the annual "Band-Tasia." We certainly owe a note of thanks to these ambitious girls who have contributed so much to S.P.F.H.S.
