

“All For Scotch Plains Stand Up And Holler”

There is one aspect of Scotch Plains-Fanwood High that does not change. Students of S.P.F.H.S. have fortunately never reached that level of pseudo sophistication which makes them ineligible for cheering duty. School spirit did suffer somewhat with the taking away of Senior privileges, but a quick recovery was made and once again the Scotch Plains stands were the loudest. Led by the cheerleaders, twirlers, and of course the boys' cheering section, students again displayed the pride they have for Scotch Plains-Fanwood High School.
